

609 S Beach | Jupiter Island

Presenting this truly rare and highly desirable direct ocean to Intracoastal 2-acre property on the premier location of the south end of Jupiter Island! This ultra-modern 11,765 AC sq ft mansion with 6 bedrooms, 7.1 baths, is situated directly on 386' of turquoise blue water including 193 ft of direct oceanfront and 193 ft of Intracoastal. The main level is 22' above sea level with jaw dropping panoramic ocean & Intracoastal views! Designed by renowned modern architect, Scott Hughes and constructed in 2017, this masterpiece was recently reimagined and renovated with impeccable taste, style, and workmanship! It's in the approval process for an additional 12+ car garage for its existing 6,000+ sq ft of underground space. Other features include expansive his and hers master closets and luxury master suite, the sprawling 2500 sq ft rooftop terrace and new summer kitchen with book matched wall, separate guest suite with its own entrance, infinity edge pool overlooking the beautiful Intracoastal waterway! Deep water dockage for a large yacht or Sport Fishing boat, with close proximity to the Jupiter Inlet/ocean and world class waterfront restaurants. For more info, go to 609SBeach.com
